

Carmina Burana, 'O Fortuna'

(Carl Orff)

Hello, this is Luciano Renan here.

*I hope you enjoy the process of learning my arrangement of
'Carmina Burana, O Fortuna', composed by Carl Orff.*

*When I was a kid and listened to this theme I remember I used to have
goosebumps and imagine if one day I could play that amazing music.*

*But it has a lot of voices and instruments and I thought it was
impossible to do alone. Years later I discovered that I was able to make
that possible and I'm very grateful for that and now I'm sharing this
with you.*

*I made a remake of this arrangement since now I have a better guitar
and recording equipments than when I recorded the first video.*

So I took the opportunity to make a little changes in some notes.

You're getting now the uploaded version of this arrangement.

*I suggest you watch the original video while you're studying it to help
you in case of doubts and to give you an idea of interpretation.*

Pay attention to tune your guitar in 'Drop D' to play this theme:

Good luck on this new challenge.
