

SHERLOCK

'Opening Titles'

(David Arnold)

Hello, friend.

*This is my arrangement of the Opening Titles
from the amazing series:
'Sherlock'*

*I just love the character Sherlock and
everything about the series.
Of course, the soundtrack is awesome!*

*This is the shortest video of my channel,
but even being short this arrangement will help you to
practice the rhythm of your right hand
(or left, in case you're left handed) and clean
the sound of the chords.*

The technique I use is the 'Rumba Flamenca'.

*Hint: Use your first finger (index finger) on the chord hand
to mute strings that you don't want to sound.*

*This will make you more comfortable to hit the strings
and be able to play only the notes you want to sound.*

*I suggest you to watch the original video to help you in case of
doubts and to give you an idea about the shapes of the chords,
techniques and interpretation.*

*Remember to subscribe in my channel,
new videos and arrangements are always coming.*

*Greetings,
Luciano Renan*
