

# The Sundown - Il Tramonto

(Ennio Morricone)

*Hello, my friend.*

*This is Luciano Renan here.*

*At the time I'm writing these words, It's been a year since our beloved master Ennio Morricone passed away.*

*I've decided to record this sublime and beautiful composition of the Legend and post it on July 6th, 2021 to make him a tribute.*

*I have not much to say, just to thank to him once again for the great music he presented us.*

*Morricone will live forever through his music.*

*I hope you like this one, it's very simple but try to play using your heart and giving the attention that each note deserves.*

*Remember to subscribe on my YouTube channel and follow me on social medias, new videos are always coming.*

*Greetings,  
Luciano Renan*
