

Comptine D'un Autre Été: L'après-midi

(Yann Tiersen)

Hello, this is Luciano Renan here.

I hope you enjoy the process of learning my arrangement for "Comptine D'un Autre Été: L'après-midi".

This is a really beautiful theme and it inspires creativity, so I created a new part based on Yann Tiersen's melody, it starts at the bar number 53.

As my other arrangements, I learnt all the song "by ear" and then arranged for classical guitar, so there's a lot of my way of playing and it'll be a pleasure to share it with you.

I've written the tabs and the sheet music together so you can know exactly how the rhythm of each note works. I suggest you watch the video of this arrangement while you're studying it from here to help you in case of doubts.

Good luck on this challenge and please let me know if you're having progress.
