

Aquatic Ambience

(Donkey Kong Country)

Hello, this is Luciano Renan here.

*This is my arrangement of the great theme
'Aquatic Ambience' from Donkey Kong Country.*

*This is a very special moment to me being here
sharing the result of this challenge with you. I used to play
this game when I was a child and loved to be
in those landscapes while listening those beautiful themes
composed by David Wise.*

*I guess Donkey Kong has one of the best game soundtracks
and for the ones who played the game the nostalgic feeling
come with strenght.*

*'Aquatic Ambience' is one of my favourites themes from the game...
this is so beautiful, smooth and atmospheric.*

*The most difficult thing about this arrangement is the
amount of chords with bars. Because of the original key 'Cm' it's not
possible to use open strings in almost all parts.*

I like to keep the original key always as possible.

*I have to say that the hand hurts a little to play... you'll need a lot of resistance,
but don't give up.*

*Think that you are kind of "working out"
your left hand (or right hand in case you're left-handed),
specially the muscle below the thumb.*

*When you be able to play this arrangement properly you'll have acquired a
good level in playing bars and difficult chords.*

*I suggest you watch the original video in my channel to help you in case of
doubts and to check the fingering and shapes of the chords.*

Don't forget to subscribe on YouTube, more videos are comming.

Enjoy,

Best regards.
