

Mortal Kombat Theme

Hello, this is Luciano Renan here.

What a nostalgic theme this one, isn't it?

I love this music since I was a child.

*I make all my arrangements by ear, so all of them are
great challenges for me.*

I'm very happy to be able to make this one and share with you.

Pay attention at the staccato notes on the first part.

*For the part with "X", hit the guitar with your wrist and practice
very slow until your brain understand what to do and then you
increase the speed.*

Despite the challenge, this is very fun to play.

I hope you enjoy so much.

*I suggest you watch the video to help you in case of doubts and to
give you some indications of interpretation and techniques.*

*Thank you very much for supporting my work and I hope you
keep following my channel, more videos are comming.*

Best Regards,
