

# ONCE UPON A TIME IN THE WEST

## (ENNIO MORRICONE)

*Hello friend,*

*This is Luciano Renan here.*

*I'm a big fan of Ennio Morricone and here is another arrangement of mine from a great theme of him:*

*Once Upon a Time In The West.*

*This is a truly beautiful theme and I tried to make some variations for the main melody,*

*so the first part I use fingering and the second and third session I used tremolo.*

*I guess the tremolo is a complex technique and I had to practice a lot to get a clean sound. The pattern I'm doing is:*

*P I M I*

*I know the classic pattern of tremolo is P A M I, but the P I M I fits better for me. Just try to find the best one for you.*

*Pay attention at the tuning that need to be in Drop D:*

*1E 2B 3G 4D 5A 6D*

*I suggest you watch the original video while you're learning to help you in case of doubts and to give you an idea of interpretation.*

*Thanks for the support and don't forget to subscribe, more videos are always coming.*

*Best regards and enjoy,*

*Luciano Renan*
